Dear Ilias,

We are very pleased to inform you that your application for a Christian Boulin Fellowship to visit the Metabolomics Core Facility at the EMBL Heidelberg has been evaluated positively.

After completion of the work at EMBL we would like to ask you to provide us with a brief summary of the work conducted and results achieved. Should the results obtained be included in a future manuscript please acknowledge the funding accordingly. In this case we would be most grateful if you could inform us about the publication(s) after acceptance and send us a copy of it once published.

Please accept this fellowship by indicating your decision in the attached declaration of acceptance and return a signed copy to us as soon as possible. If you have any questions, please do not hesitate to contact us at boulinfellowship@embl.de.
